LOGNOTE -- Chief, Operations Group, 11 July 1986

1. [ ] Following is from yesterday's staff meeting:

25X1

- D/FBIS informed the meeting of the briefing of the DDS&T on the FBIS FY-87 budget. He felt the briefing went well. Among conclusions reached, although the final FY-87 budget figures will not be known until early 1987, was to activate Internet, hold the schedule for automation, and to slow down the West European Bureau activities. In a related issue, D/FBIS reported that the Comptroller had approved our request to reprogram the Gulf Bureau personal services surplus to non-personal services. [ ]

25X1

- D/FBIS also reported that there has been some movement on the possible future servicing of the Intelligence Community through the FBIS automation program. A study will be done to see how the connectivity between the FBIS AFS system and the IC user systems will be accomplished. Some IC money has been identified for the study. [ ]
